

Letter of Reference

Mr. Musfiq Bin Fahad, born on September 25th, 2001, was employed by our company as a working student from May 1st, 2025 to March 14th, 2026.

Merck is a global science and technology company headquartered in Darmstadt, Germany. With a history dating back over 350 years, it is the world's oldest pharmaceutical and chemical company. As a leading company for innovative, top-quality high-tech products, we operate in Healthcare, Life Science and Performance Materials. More than 62,000 employees in 66 countries work to improve the quality of life for patients, to further the success of our customers, and to help meet global challenges.

Merck Electronics KGaA, a subsidiary of Merck KGaA, is among the top leading materials suppliers to the electronics industry worldwide. Our science sits inside technologies that are changing the way we create, access, store, process and display information. Our product and service portfolio has been designed to enable the future of electronics in our data-driven world.

The wide-ranging area of responsibility of Mr. Fahad included the following tasks:

- Conducted a thorough analysis of inventory management by comparing safety stock levels utilizing the Contour Platform
- Assisted in the creation of presentations for ongoing projects, independently communicated with stakeholders, and followed up on outstanding tasks
- Assisted in the validation of datasets by reviewing the schema developed for each dataset, as well as evaluating the associated Python code and overall structure
- Conducted a thorough analysis of inventory management by comparing safety stock levels utilizing the Contour Platform

He always showed an exceptionally high level of interest, commitment and motivation.

He was a very responsible working student, who always approached his tasks methodically and completed them independently and with great care and precision.

Mr. Fahad was always open to changes, very often came up with new and creative ideas, and excelled by using innovative approaches.

He has good specialist knowledge which he applied comprehensively and confidently at all times and was able to deepen it in the course of the employment.

Due to his quick comprehension, Mr. Fahad was able to grasp even difficult situations immediately and to find good and effective solutions, which he implemented consistently and successfully.

The quality of his work was at all times far above-average.

We were always very satisfied with his performance.

Mr. Fahad's behavior towards supervisors, colleagues and external partners was impeccable at all times. He always showed strong interpersonal skills with all his contacts and always had a friendly, open and obliging manner.

The contract ends upon expiry of the agreed period on March 14th, 2026.

We would like to thank Mr. Fahad for his consistently good work and we wish him all the best and continued success.

Darmstadt, March 14th, 2026
